**SOURCE SELECTION SENSITIVE**

**CERTIFICATION OF NON-DISCLOSURE**  
**Utility System Privatization**

I understand that in the course of my duties and responsibilities, I may have access to information received by the Government in confidence from utility companies, municipal authorities, other entities, or contractors in connection with the privatization of utility system(s) including, but not necessarily limited to, trade secrets, inventions, discoveries, and reports of a financial or technical nature. I agree not to disclose such information to any individual or organization without an official need to know.

I further agree not to disclose to any individual or organization without an official need to know the names, identities, or numbers of offerors or the methods of procedures used in the source selection process to evaluate submitted information or proposals including, but not limited to the standards and rating used in the evaluation process.

I understand my obligation not to disclose the information described in the above paragraphs does not terminate with the award of a conveyance document and service contract or any other action. I further understand I may not disclose such information to individuals or organizations without an official need to know, unless the Contracting Officer approves such authorization in writing.

I acknowledge that failure to comply with these conditions set forth above regarding my obligation not to disclose information may result in disciplinary action, including termination of employment. If I am a military member, I understand failure to comply with these conditions may result in disciplinary action under the Uniform Code of Military Justice.
